YOU CAN COUNT ON US

Our secret is simple: provide more for less. It's simple, but it isn't easy.

I started A4 in a flea market in 1984. We pushed credit cards to the max, emptied the accounts and spent Sunday at the flea market hoping we could make rent. You know what it means to “boot strap” a business. Those memories stay with us today.

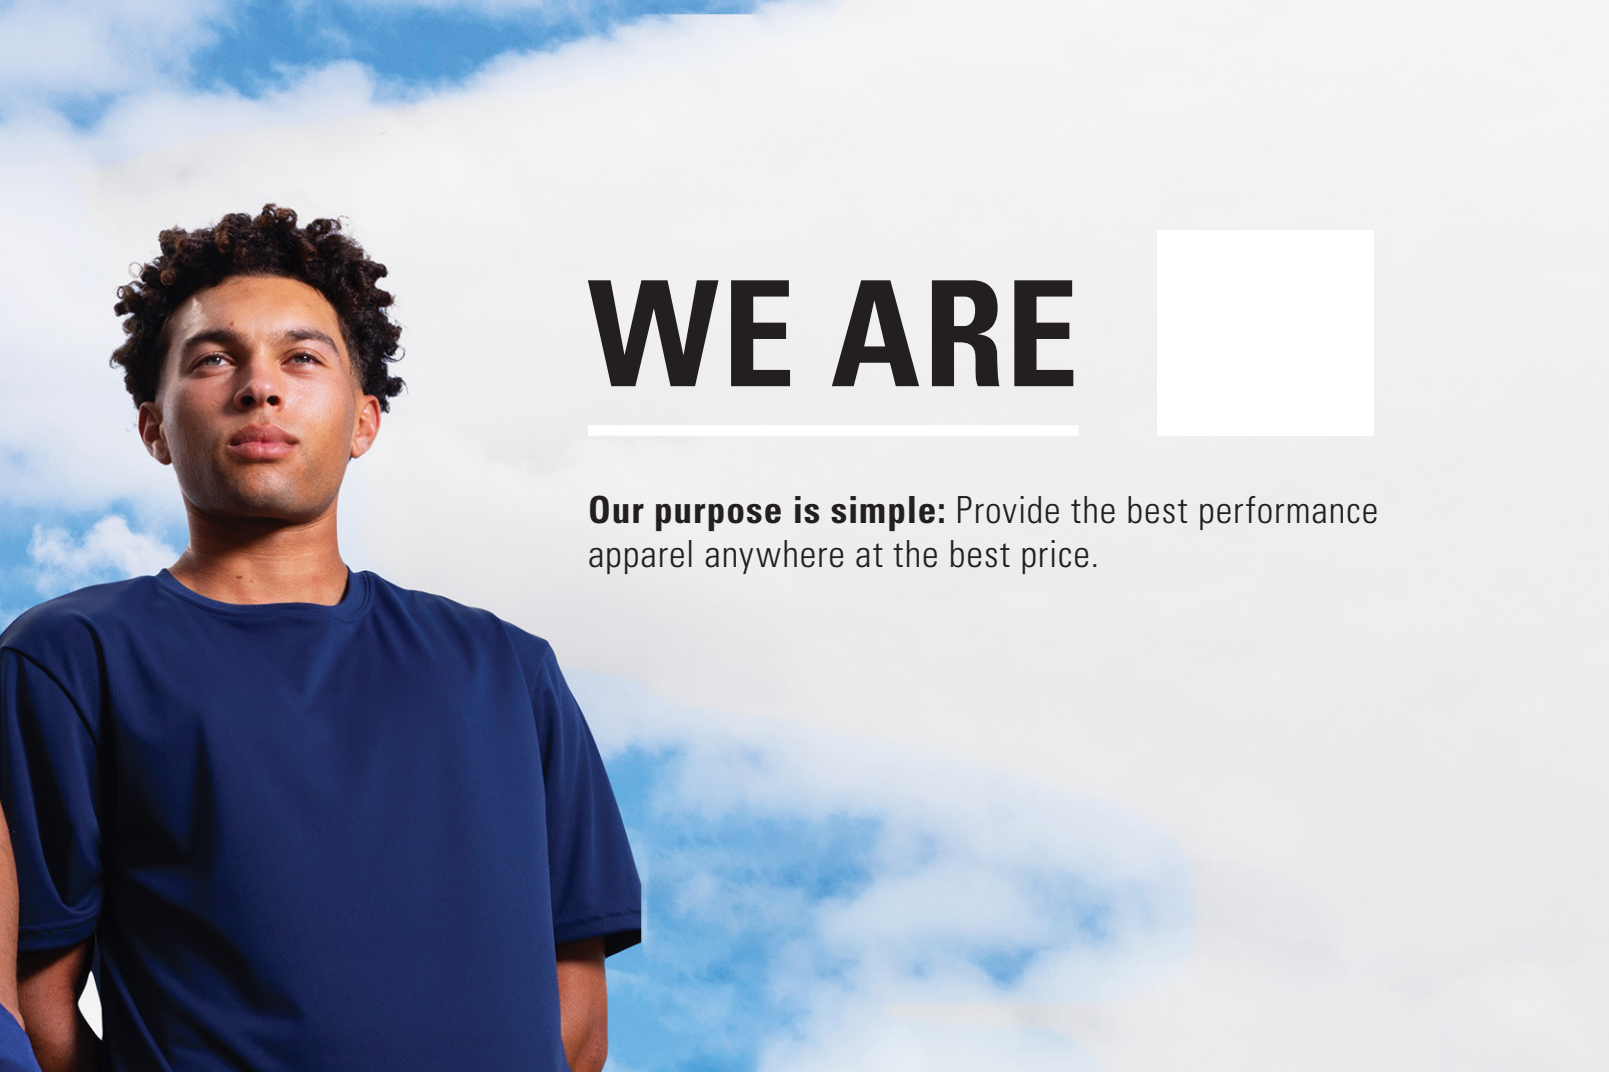

Our advantage now is that we are still family owned, not beholden to private equity. They focus on squeezing out the last nickel, while we focus on maximizing your profit margins. We do it by keeping the lowest prices in the industry, by not charging extra for larger sizes and by delivering the best performance apparel on the market.

This year we have expanded our line with 26 new styles, improved our sublimation process and added DTF decoration, all to make it easier for you to run your business.

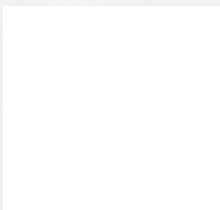

We do all of this because we remain deeply committed to your success...it's that simple.

Mark Mertens | Owner
